Jay - We are in the preliminary stages of developing an Adopt-A-Trail program and, like you, are searching for programs we can model ours after. If you find any as a result of your posting on NRPA net we'd appreciate hearing about them. In the meantime, here are a few we came across that might interest you:

Missouri Department of Conservation
(<http://www.mdc.mo.gov/trails/adopt.htm>)
Colorado Trail Foundation (<http://www.coloradotrail.org/aat.html>)
The Ozark Trail (<http://www.ozarktrail.com/adoptatrail.php>)
Appalachian Mountain Club
(<http://www.outdoors.org/conservation/trails/volunteer/adopt/>)
Wisconsin Department of Natural Resources
(<http://dnr.wi.gov/org/land/parks/voljobs/trail.html>)

Hope to hear from you. Thanks! Randy

If anyone has a model/policy for an "adopt a park/site/bed" that works really well for them, I'd greatly appreciate a copy/info.

Thanks in advance!

Jay
